To: The Council of the Town of Amherstburg

This petition from the undersigned (residents of Bois Blanc Island) is in complaint of an Airbnb that is currently operating on the island. Bois Blanc Island is a unique residential community modelled and marketed with distinct private community qualities. Vehicle, pedestrian and visitor traffic is controlled as is a gated community. Privacy, safety and security, a primary reason for living on the island, is now compromised with short term rental(s) (Airbnb, VRBO). Research shows evidence that short term rentals do not benefit the community, only their Owners'. We are requesting any and all short term rentals be prohibited on Bois Blanc Island.

I/We the undersigned, petition the Council of the Town of Amherstburg as follows:
