**Subject:** Field house proposal

Hi Viktorya – Can you please provide this proposal to the town council for their upcoming meeting on Monday Sept. 11?

To Amherstburg Council Members:

I am writing to propose a partnership between our community high school (North Star) and the town of Amherstburg to once again use the field house that was previously available to us. Our school has been using this facility for many years and we were told to vacate it in June of 2022. However, we strongly believe that our outdoor teams such as football, soccer, track and field, and cross country could greatly benefit from the storage and meeting place that this facility provides.

We understand that the town may have its own reasons for asking us to vacate the facility, but we would like to request a reconsideration of this decision. We believe that our school and the town of Amherstburg share a common goal of promoting sports and fitness activities among young people in the community. By working together, we can create a mutually beneficial partnership that will help us achieve this goal.

We would like to propose that our school be allowed to use the field house as soon as possible. We also suggest that we could contribute to its maintenance and upkeep.

Thank you for considering our proposal. We hope that we can work together to provide our students with the best possible opportunities for sports and fitness activities.

Sincerely,  
Melissa DeBruyne
