To Whom It May Concern,

Windsor & Essex County Crime Stoppers is a non-profit organization dedicated to promoting public safety by encouraging members of the community to report criminal activity. We work with law enforcement agencies to provide a way for people to give anonymous tips about criminal activity and offer rewards that lead to an arrest or conviction.

Our program works and the statistics prove it! Statistics for 2023 in Windsor and Essex County alone, information provided has resulted in over 55 arrests, more than \$134,000 worth of recovered stolen property and more than \$424,000 of illegal drugs seized off our streets. Because of this success, over \$1.2 million dollars in reward payouts have been authorized.

We are pleased to announce the return of our 17th Annual Crime Stoppers Golf Tournament, which is being held at Kingsville Golf & Country Club on Thursday, August 22nd, 2024. This is one of our key fundraising events, and helps to support the ongoing operation of our Crime Stoppers program.

If you are interested in supporting the mission of Crime Stoppers, there are several ways you can help. One of the ways is by becoming a sponsor for the golf tournament (please see attached form for more information), or by donating an item that can be used for the raffle.

We are sincerely grateful for any support that you can provide as all monies raised at our events assist us in the operations of our program in every aspect. By working together, we can all help to make our communities safer and more secure.

Thank you again for your time and consideration in donating to our event!

Respectfully,

Lauren Brisco
