Amherstburg, ON N9V 2A5

Dear Mr. Fox,

Re: Request to Name a Section of Dalhousie Street as "Veterans Way"

On behalf of the Royal Canadian Legion Fort Malden Branch 157, I am writing to formally request the renaming of the section of Dalhousie Street, from Richmond Street to Gore Street, as "Veterans Way."

This initiative is an effort to honor and commemorate the sacrifices and contributions of Canadian veterans, who have selflessly served our country to defend the freedoms we hold dear. Naming this portion of Dalhousie Street "Veterans Way" would provide a meaningful and lasting tribute, reminding residents and visitors alike of the courage and dedication of our veterans.

Given its location in the heart of Amherstburg, this section of Dalhousie Street holds both historical and symbolic importance, making it a fitting area to recognize the service and sacrifice of those who have served in the Canadian Armed Forces. This initiative aligns with our branch's mission to honor veterans and promote remembrance within the community.

We kindly request the Town of Amherstburg's support and guidance in moving forward with this proposal. If any additional information or formal documentation is required, please do not hesitate to contact me directly.

Thank you for your consideration of this request. We look forward to your response and the opportunity to work collaboratively to honor our veterans in this meaningful way.

Yours respectfully,

Shawn Wilkie President, RCL Branch 157
