**16. POSTING COMMITTEE OF ADJUSTMENT ADVISORY SIGN**

This will confirm the requirements of the Committee of Adjustment for a sign to be posted by all applicants or authorized agents on each property under application.

A sign will be made available to you upon submission of your application(s). You are directed to post the sign in a prominent location that will enable the public to observe the sign.

The location of the sign will depend on the lot and location of structures on it. The sign should be placed so as to be legible from the roadway in order that the public see the sign and make note of the telephone number should they wish to make inquiries. The Zoning By-law prohibits the signs from being located in any corner lot sightlines. In most cases, please post the sign on a stake as you would a real estate sign. For commercial or industrial buildings it may be appropriate to post the sign on the front wall of the building at its entrance. Please contact the undersigned if you have any queries on the sign location.

Each sign must remain posted beginning 14 days prior to the Hearing, until the day following the decision of the Committee of Adjustment. Please complete the form below indicating your agreement to post the sign(s) as required. This form must be submitted with the application so that it may be placed on file as evidence that you have met the Committee's requirements. Failure to post the sign as required will result in deferral of the application.

Chris Aspila, MCIP RPP  
Manager of Planning Services

Property Address: 5010 Essex County Road 18, Amherstburg, ON

Application Number(s): B/09/25

I understand that each sign must be posted at least 14 days before the Hearing, and will remain posted and be replaced if necessary, until the day following the Decision.

I acknowledge that the Secretary-Treasurer has confirmed these requirements with me.
