**THE SUBJECT LANDS AND PURPOSE OF THIS REZONING APPLICATION:**

This rezoning application will affect approximately 0.19 ha (0.48 ac) ± of land described as Parts 1 and 2 on 12R-29344 municipally known as **Vacant Land Victoria Street S** (see map below). The subject lands are currently zoned Residential First Density (R1) Zone and designated Low Density Residential in the Town's Official Plan.

This rezoning, if approved, change the zoning of the subject lands noted above from the **"Residential First Density (R1) Zone"** to **"Special Provision Residential Third Density (R3-4) Zone"**.

The effect of the amendment will be to allow additional residential uses on the subject lands, specifically semi-detached dwellings, and all other residential uses as permitted by the Residential Third Density (R3) zone, with a special provision to allow a minimum lot frontage of 16 m for a semi-detached dwelling and a minimum lot frontage of 8 m for a semi-detached dwelling unit. Additionally, the amendment will allow the driveway to be cut at 50% of the lot frontage (13.75 ft) at the Town right-of-way but will flare out to 18 ft within the required front yard. The current R1 zoning does not permit a semi-detached dwelling, therefore the rezoning will facilitate the development of two semi-detached dwellings on the subject lands for a total of four (4) dwelling units, where two (2) single detached dwelling units are currently permitted. All other requirements of the Residential Third Density (R3) Zone provisions will be maintained.
