Dear Mayor DiCarlo,

**Re: Recognizing National AccessAbility Week and Raising of a Regional
Accessibility Flag**

Every year around the first week of June, Canadians with disabilities celebrate National AccessAbility Week. The purpose is to raise awareness of the need for accessibility and inclusion in Canada.

This year, the Essex County Accessibility Advisory Committee, has endeavored to create an accessibility flag. The flag is meant to be representative of the local municipalities and shared with all who wish to participate. The spirit and intent is to proudly fly the flag during National AccessAbility Week in a cohesive show of support for a more inclusive and accessible Essex County.

Your participation is important to us. Therefore, we invite you to fly this flag at your Town Hall from May 29, 2022 to June 4, 2022. As always, we appreciate all of your efforts to create a more barrier-free society for everyone.

If you would like to further discuss this matter, please contact me at easterbrook64@gmail.com.

Regards,

Christine Easterbrook
