

**Emergency Procedures – Volunteers**  
**Cycling – Time Trials, Road Race**

A Radio is provided to Volunteer 1 at each intersection. In the event of an emergency, Volunteer 1 is to contact the Event Coordinator by radio, and state:

Name

Intersection

Nature of Emergency

Volunteer 1 is to control the scene to ensure oncoming riders are directed to a safe area at the side of the road, and to follow directions from the Event Coordinator

Volunteer 2 is to provide aid to the injured where possible

Remaining volunteers are to assist in controlling the scene or to provide aid as necessary.
